Commercial: Rates are \$60 per page, \$30 per half, \$15 per quarter.

Tournament: Rates are \$40 per page, \$20 per half, \$10 per quarter.

The ratings booklet is probably the most-read chess publication in Australia: players are always anxious to learn their new rating, and the ratings of their friends, and to see whose rating is increasing most rapidly, who are the strongest players, and so on. Some players carry it as part part of their chess "kit," to look up the ratings of their opponents and record them in the space provided on scoresheets.

It is an excellent vehicle to carry messages to all Australia's active chess players.

Would-be advertisers should contact Robert Jamieson (PO Box 716, Mt Waverley, 3149) for further information.

Deadline for advertisements is 10th of March, July & November.

Introduction

The ACF council has decided to cut the cost of the ratings book by reducing its size. Much of the information doesn't change often, so needn't be published so often.

I have suggested another change that might improve the service to chessplayers by publishing ratings four times a year, but also reduce the cost. We could publish a full ratings book twice a year with distribution as at present. An updated list could be published in between, listing only those players who had games rated since the previous list. This supplementary list could be provided to the associations and/or chess clubs. The savings would be achieved by a shorter list (1880 players vs 2741 this period), and smaller distribution. I would expect all active players to have access to the interim lists at their clubs.

If you don't like the changes you see, take the matter up with your state association: their delegates get to make these decisions.

Another year has almost passed us by, and the ratings list reveals we haven't all achieved the status of Grand Master. Maybe next year. However, a few players seem to have made a late

dash: Shane Lawson (V), Matthew Chambers (N), Veronica Klimenko (N) and Timothy Switzer (N) managed to add 200-300 to their ratings in this period.

The top players are still Rogers (2620), Johansen (2491) by a healthy margin from Gedevani (2361), Solomon (2361), Davidovic (2354).

The top women are Feldman, Aladjova-Wills (back from retirement), Dekic and Koshnitsky, all along way ahead of the rest.

J P Wallace still heads the Under 20s, but by a less commanding lead than formerly: he's slipped a little, and T Tao's rating has increased. Both are way ahead of the rest of the field.

Queenslander Max Leskiewicz tops the Under 16s by a small margin from Eu-Jin Teh (W), Charles Pizatto (Q) and S Low (V) followed by Veronica Klimenko (N) and a horde of Victorians.

The under 12s list is headed by Kylie Coventry (S), Tristan Boyd (W), Gareth Charles (N) and James Errington (S). Tristan is the youngest of these at age 9.

This period's busiest players are Michael Sorel (s, 59), Max Molland (v, 54), David Laugery (n, 53), Shane Lawson (V), Laura Moylan (A) (also another big improver) and Haris Muljadi (N).
