GAMES COLUMN

By IM Stephen Slomon

This month we feature a very instructive Bishops of opposite colour ending which was mentioned by Ian Rogers in his column in the previous (March) issue. First I would like to congratulate the winners of the Australian Juniors, Justin Tan, Catherine Lip, Ruperto Lugo and Michelle Lee. They all played extremely well!

Black allows White a passed h-Pawn he will become all tangled up and an amazing drawn position occurs! There are some very instructive points to learn from this opposite coloured Bishop endgame, and its study will be greatly rewarded.

This opposite coloured Bishop endgame could have occurred if White had swapped Bishops at move 36, and was touched upon by Ian Rogers in his column last month. He asserted that it was hopeless for White, as Black will eventually create another outside passed Pawn on the K-side. He was dead right, but I would suggest that the number of players in Australia who could successfully win the position against a strong GM, such as Lputian himself, could be counted on the fingers of one hand. There are some fascinating variations, and in one study-like line, if
