CHESS IN AUSTRALIA

FEBRUARY 1985

INTERLEAGUES CHESS COMPETITION. (by Harold Tarrant).

This tournament took place over October and November, 1984. It is an Inter-Club Event, contested this year by five Leagues Clubs and three other licenced clubs, with rotating venues. In order to cater for clubs with widely differing numbers of players available it takes the form of two approximately equal swiss competitions running concurrently, with individual players scoring championship points for their club (ranging from 10 for 1st in A Division to 1 for 5th in F Division) if they finish in the top five positions in any of the six divisions. While the competition favours those clubs which enter most players, there is also a prize for the club scoring most championship points per player, this year won by the Marconi Club. Small cash prizes are also awarded to those individuals who come 1st and 2nd in their divisions. Canterbury-Bankstown Leagues Club this year pushed Ryde-Eastwood into second position, with 40 championship points to Ryde's 27. Cronulla-Sutherland scored best in the lower-rated one , but were unable to mount a challenge in the higher rated swiss. A. Flatow was outright winner of the higher rated swiss (as usual), and S. Ivosevic won the lower-rated one from R. Jury on count back. The DOP would like to thank players for preserving the keen but friendly atmosphere which has long marked this competition. Thanks are also due to our sponsors, the United Permanent Building Society and Queensland Acreage and Land Sales.
