CHESS RECORD BROKEN

(With grateful acknowledgements to Lloyds Bank)

A World chess record of 34 years fell on 17th December when Stuart Conquest, 13, of Grove School, Hastings, became the youngest player ever to defeat an Internationally recognised master in a set match. Stuart won 2-0 against Nigel Povah, 28 of Guildford (London), who holds the FIDE Master title, and has twice been Southern Counties Men's champion.

The occasion was the annual Lloyds Bank challenge match where a talented young British player meets a recognised expert. Previous events in the series have included Nigel Short's $6\frac{1}{2}-3\frac{1}{2}$ victory at age 12 against Chess 4.6, the world champion computer; and Ian Well's 2-1 win last year at age 15 against Alexander Kotov, the veteran Soviet Grand Master.

The previous age record for a match over a master was set by Arturo Pomar, of Spain, then 14, who in 1946 beat Jacques Mieses, a grand master aged 80. Pomar is now himself a Grand Master and Spain's leading player.

Conquest was lucky in the first game when, after missed chances on both sides, Nigel Povah overstepped the time limit in a winning position. But the schoolboy won impressively in the return where a classical central pawn break gained decisive material. This game, of 24 moves, follows.

Stuart Conquest, youngest-ever champion of the celebrated Hastings Chess Club, has already received help from Lloyd's Bank's annual chess sponsorship programme which encourages talented players in schools and universities to reach the best adult standards. He was among 30 boys and girls awarded scholarships to the Lloyds Bank Masters this summer in London, where he defeated the former men's champion IM Ricardo Calvo. A few weeks ago Conquest and three other England juniors received travel scholarships for the Lloyds Bank Jersey Open at which he tied for third with the 1979 British Men's champion IM Robert Bellin, drawing their individual game.

G.M. Raymond Keene directed the match in Brighton. He commented."In the second game it looked as if the master had been white and the inexperienced junior Black. Povah seemed hesitant and unable to form a plan, while Conquest, playing with admirable panache for one so young, brushed him aside with contemptuous ease." "Qualitatively if not quantitatively the result was superior to Pomar's win over Mieses and to Ian Well's defeat of the ageing Kotov in last years Lloyds Bank challenge match.

NATIONAL RATINGS

This list is based on results received before December 1980. A list of tournaments submitted for rating precedes the actual lists for each state.

Your rating is what it would have been if there had been no deflation over the past two years. You may find that your rating has taken an upward jump.

Thanks are due to State Ratings Officers for the collection and coding of results.

As usual, 'm' indicates a reliable rating, "?" an unreliable one, and "??" a highly unreliable one.

McKilligan I 1175?? Shadbolt T Ratings supplement - Chess in Australia - December 1980 by Phil Viner

Garry Koshnitsky M.B.E. was guest of honour at a gathering of nearly 50 friends of Chess at Sydney's Phoenician Club on 29th September last.

This was arranged as a fund-raising occasion as well as a token of appreciation for Garry's 30 years of dedicated service to chess in N.S.W. prior to his move to Adelaide.

Garry, who, at the time, was about to leave for Malta, spoke, among other things of his Olympiad experiences dating back to 1939 when Australia, literally, missed the boat.

Preceding the dinner was a film entitled "Black and White, Like Day and Night.", the hero of which appeared to be a composite of Fischer, Morphy. Steinitz and the script writer himself.

The evening produced a nett profit of \$224 which was donated to the 1980 Olympiad Fund.

Everyone present voted it a most enjoyable evening.

CORRESPONDENCE

Sydney, 6 Dec, '80

Dear Sir.

Chess Micro-processors are not top class tournament players. Mr. Cowley is rated within the top ½ of all tournament players i.e. over 2000, however the average rating of all players is under 1500 and chess computers like the Chess Challenger series and the Sargon 2.5 have won a number of games under proper tournament conditions.

Most computers are sold to complete beginners who are only home and occasional players and the great advance in recent years of the programs and the reduction of the cost has increased the general public's awareness of our great game.

After Mr. Cowley's power failure it is simple to reconstruct the position and continue the game -- a human error!

Before buying a computer, expert advice is essential as there are a number of hopeless chess computers currently on the market.

Yours faithfully, Peter Parr FIDE INTERNATIONAL ARBITER

EVELYN KOSHNITSKY HONOURED

We are delighted to hear the news that Evelyn Koshnitsky has been awarded the British Empire Medal in the New Years Honours List. Many people throughout Australia have done a lot for chess in past years, but I cannot think of anyone who has done more. For Evelyn, this was a very much overdue public recognition of her services to chess.

CHESS IN AUSTRALIA - DECEMBER 1980

OUEENSLAND

THE GAP OPEN 1980

This year's inaugural Gap Open attracted 42 participants and proved to be a strong tournament. The competition took place at the pleasant ve venue of the Gap Chess Club which meets at the local high school.

First place was shared between Bruce Holliday and Alain Pardoen, the title going to the former because of his better tie-break. Pardoen was leader after round four but then he lost to Holliday. Alain did not catch up until the final round when he beat John Myers while Holliday was fortunate to salvage a draw against Tony Truscott.

Former Qld. Reserves co-champion Bob Howard has not been a regular tournament competitor but here he surprised the pundits by finishing 3rd. Bob has an aggressive, enterprising manner of play which paid dividends in this tournament.

Next were an out of form Colin Morris, an unfortunate Tony Truscott and the dark horse of the event, Englishman Mike Driscoll. Driscoll drew with Howard and the tournament title winner in Rounds 3 and 4 but a loss to Pardoen two rounds later saw the end of his aspirations of a top place.

Results: B.Holliday & A.Pardoen 6/7; B.Howard 5½; A.Truscott, C.Morris, M.Driscoll 5; J.Myers, P.Hainsworth, D.Duffy, M.Craven, T.Howes, B.Cox, S.van Tinteren 4½; M.Finch, S.Hindley, R.Adams, J.Guest, P.Miltenburg, L.Knight, H.Quarismini and G.Nott 4; W.Ward, D.Foster 3½; C.Hartley-Holl, M.Crocker, R.Hucks, J.West, S.London, G.Smith, I.Farnbach, H.Darbyshire, A.Terry, 3; N.Kaspartov, B.Petherick 2½; J.Joliffe, J.Granger, A.Anskey, C.Stowasser, M.Howe 2; P. de Vries, W.Terry 1; W.Turner 0.

The rating prizes were awarded to mainly younger players including several juniors. Under 1600 was shared between Mark Craven, Tony Howes, and Simon van Tinteren. Under 1400 - 1st.Warren Ward, 2nd: Shane London. Under 1200: 1st: Barry Cox =2nd Graeme Nott and Harvey Quarismini.

Best Junior prize went to Ian Farnbach while the best lady (there were three) was Andrea Terry. Hugh Derbyshire was the best unrated with the help of a last round bye and P. de Vries won the encouragement award.

This tournament initiated by The Gap Chess Club will become an annual event. Director of Play Gunther Stock, also generously donated as the major sponsor.
